Discussion

Rizqa Hidayani

Urban Planner and Program Manager, Kota Kita, Indonesia

Rizqa is an urban planner with a focus on building inclusivity and resilience in the development of cities. She believes that everybody in the city has equal rights to have a voice in the development of their cities. Currently, she is a program manager at Kota Kita and has been engaged in urban participatory planning activities and research since 2013 - in the fields of climate change adaptation and resilience, community development, and informality in 10 different cities in Indonesia.
